

Connecticut NOW Application Form

NOW's grassroots members are a unique strength that has made a significant difference in achieving victories over the years and helped shaped who we are today. With chapters and state organizations across the United States, our activists make a feminist impact on the lives of women, men and their families at the national, state and local levels.

Since NOW does not rely on foundation or corporate dollars, our work for equality and justice is made possible by membership dues, individual donations and volunteer hours. Your membership gift today allows NOW to fulfill its mission: equality for women and girls. **We're excited to have you as a member of CT NOW!**
